

In these challenging times students have been making important decisions about their next steps in preparation for the end of Year 11. There are many different options to choose from, school sixth forms, sixth form colleges, further education colleges, apprenticeships and training offering post 16 education, in and around Bristol, South Gloucestershire and North Somerset.

Applying for Post 16 education, apprenticeships or training

Students must contact the school, college or training provider directly. More details about Post 16 education providers can be found in the directory links below.

The directories provide information students need to choose the best way forward with confidence.

Keeping in touch

Post 16 providers should have already been in contact with students regarding the transition from year 11 to year 12. Students who have not yet received any information, should ring or email their preferred sixth form, college or apprenticeship/training provider direct.

If you have any questions or have not yet applied for a Post 16 place, please contact Mrs Bartlett-Cosway by email k.bartlett-cosway@stbcc.org
