

## **New Year 7 Pupils and Parents 2020**

Although we will not be inviting children and their parents/carers to visit the college on 2nd July 2020, we will be planning a formal day as a transition and induction combination on Thursday 3rd September.

Please be reassured that for the interim, we are working in consultation with our Primary School partners to create transition materials for the children. These materials along with the practical arrangements such as uniform and transport will be issued no later than W/B 22nd June 2020.
