January 2019

Dear parents/carers,

I am writing regarding the Sixth Form support programme for high ability students who have an aspiration to study at the Universities of Oxford or Cambridge.

In the Areté Sixth Form we have a bespoke programme of support for students who have the potential to make an application to Oxford or Cambridge. The Areté group was established a few years ago for these students and as a result of its growing success, I would now like to start working with younger students within the College to help give them a head start in thinking about applications to these prestigious universities.

We have invited the University of Oxford to come to St. Bede's to talk to students in Year 10 and 11 on Wednesday 13<sup>th</sup> March at 2.15pm. There are 40 places available and students must have a ticket to attend the session. If your son or daughter would like to attend the talk, they should see me in the Areté building for a ticket in advance. Tickets will be issued on a first-come first-served basis.

If you have any questions, please do not hesitate to get in contact with me.

Yours sincerely,

Miss L Kirkbright

Director of Sixth Form  
Assistant Principal
