Law Revision Guides Available

Dear Parent/ Guardian

Hodder Education has recently released a revision guide called 'OCR A Level Law' which covers the main topics that your son/ daughter is studying in Law A level. St Bede's Law Department has already provided students with A3 revision grids, sample theory paragraphs and a range of exam questions for each topic. However, we believe this guide will be an invaluable additional resource for students. Many students benefit from having a revision guide which provides a centralised place where key cases, points of law and exam tips are provided. This is particularly useful when students are doing independent revision throughout the course as well as for the final exams (sat at the end of the two year course).

The Hodder Education Law Revision Guide is available to purchase from the College at the price of £14.50. This is cheaper than it can be bought online either from Amazon or Hodder Education (currently priced at £16.40) as the College has obtained a school discount.

If you wish to purchase a revision guide, please give your son/daughter £14.50 in cash or cheque (made payable to St Bede's Catholic College, with your child's full name and 'law revision guide' clearly printed on the reverse) and ask them to give it to me and I will issue them with the guide.

Yours faithfully

Mrs Lindsay
Teacher of Law A level
