July 2019

Dear Parent

Our Enrichment Week (Tuesday 16th to Friday 19th July) is nearly upon us, so I am writing to give you the final details. Here is the timetable for the week:

Classes	Tuesday 16th July	Wednesday 17th	Thursday 18th	Friday 19th
81B, 82B, 83B & some pupils from 82A (8X)	Geog Field Walk	Big Pit	RF CAFOD day	Young Enterprise Activities
81A, 83A, 81C & some pupils from 82A (8Y)	Big Pit	RF CAFOD day	Geog Field Walk	

Please note that Monday 15th July will be Monday week B at St Bede's and that on Monday 22nd July, we return to normal lessons, week A.

Pupils in 82A have been informed individually which timetable they are following, and should have a note of this.

Please also note that year 8 will be required to wear normal school uniform on Monday, Friday and for the CAFOD day, suitable outdoor clothing, for the Geography Field Work and for the History trip to the Big Pit.

For the Geography Walk, and the history trip to the Big Pit (trips out of school), the pupils should bring, in a suitable bag eg knapsack, a packed lunch and plenty of water to drink, and have a shower proof coat, a hat, and have some sun cream either on or in a bottle ready to apply! Packed lunches have been ordered for children on free school meals on days when they will be off-site. The canteen will be open as normal for those on-site.

If your child is on any medication, or needs to have an epi-pen or inhaler available, they should have it with them, and alert their staff trip leader if going off-site. Please note that any child who has not returned a parental consent form will not be allowed to participate in trips off-site.

It is absolutely vital that every effort is made for pupils to be punctual arriving at school. Pupils arriving late run the risk of being left behind as we cannot delay the departure of groups going out for the day.

Let's hope we have excellent weather and I'm sure everybody will enjoy a great week!

Yours sincerely

J. Marshall
Assistant Principal
