May 2019

Dear parents/carers,

Please find attached a copy of the Year 10 examination timetable.

These examinations will give students and teachers an indication of how your child's studies are progressing and the opportunity to identify areas for development.

We expect students to treat these examinations seriously and prepare thoroughly for them. The importance of focused and structured revision cannot be emphasised enough, as this is the key to success in the examinations. Revision guidance is being given by subject teachers and will help students do their best.

For each exam, your child is responsible for bringing all of the required equipment to sit the exam, for example, pen, pencil, ruler, calculator etc. This must be placed in a clear pencil case or plastic bag.

If your child is absent for an examination, they should make arrangements with their subject teachers to sit the examinations on their return to school.

If you have any questions regarding the Year 10 examinations, please contact your child's tutor.

Yours sincerely,

Miss L Kirkbright

Assistant Principal
