9th September 2019

Dear Parent / Carer,

The A 'Level Fine Art students have been given the opportunity to attend an exhibition at the Holburne Museum in Bath on the 23rd of September. During this time, they will have a guided tour of the exhibition, studying and sketching from Matisse's iconic etchings of nudes in interiors, before enjoying a fully tutored life-drawing workshop in the spacious art studio.

Drawing from a life model, students will refine their use of line and composition in a lively session which will introduce a range of drawing techniques and materials.

Students will:

- Be inspired by a world famous artist
- Take part in a fully tutored life-drawing session
- Develop their use and understanding of line
- Be introduced to a variety of drawing techniques and materials

The experience the students will have will help them in extending their knowledge of how to draw the human form as well as, (particularly Y12), help them to research further, the work of other artists, informing their own personal Investigation in Y13.

We intend to leave school at 12.20pm and return to the College approximately 5pm. If we have time, we will stop for lunch. If your Son / Daughter wishes to be dropped off in Bristol Town Centre, then could you please indicate this on the reply form overleaf. If not, I will drive back to College, where their own transport home will have to be arranged. The art Department will subsidise some of the cost of the experience, but a cost of £2 will cover the cost of the transport.

Please could you return the essential information sheet / permission form overleaf to Mrs Cannon in the art department? The £2 must go to the Finance Office.

Yours sincerely,

Mrs Cannon
