January 2020

Dear Parent/Guardian

I am writing with regard to the activity week to France. I am currently in the process of organising travel arrangements and activities for the week. To do this I require some information from you about your child. This information will remain confidential.

Could I please request that you complete the attached medical form and the parent consent form and return them to me by Friday 31<sup>st</sup> January 2020 in order for me to meet deadlines with Manor Adventure.

Your child will also need a current passport which does not expire before January 2021 (due to Brexit), can I request that you check this ASAP in order to make any necessary amendments if needed. Could you also please contact me if your child will be travelling on a passport that is not European as I have to fill in separate forms and log this. Your child will also need a European Health Insurance Card in order to travel. These can be ordered on line or you can collect a form from the post office.

Many Thanks

Miss C Chennells
