A Level 2022 (2019)

Please note: 2022 results should not be compared to 2020 or 2021, because of the different methods of assessment.

Measure	College Results	National Average
Value Added A Level	0.01 (-0.23)	Not published due to reliance on KS4 data
A* - A	26.4% (6%)	35.9%
A* - B	52.8% (11.4%)	62.2%
A* - E	98.5% (85.7%)	98%
Average Grade	B- (C)	C+
Destination (Student at University, Employment or Training)	96%	94%

NB. In the Sixth Form we have excellent results for the small proportion of students who re-take English and Maths GCSE. Our results are above the national average in this area, but we are unable to share the specific figures. Results are suppressed in the case of small numbers of entry to protect individual privacy.
