BRONZE

What is the DofE?

The DofE's a life-changing adventure you don't want to miss.

It's about going the extra mile – learning new skills for work and life, getting fitter, making a difference and broadening your horizons.

Millions of young people in the UK have already done their DofE.

Now it's your turn.

How do I choose my activities?

There's loads to choose from — most activities can count towards your DofE.

Maybe you want to try something new? Or get better at something you already do? Your DofE can be whatever you want it to be.

Activities for each section take a minimum of one hour a week over a set period of time, so they can fit in around your studies and life outside school.

Volunteering

Volunteering's all about taking action and making a difference to other people's lives.

Maybe you're interested in animals or tackling climate change? Or you want to raise money for a cause that means a lot to you?

From coaching a local football team or collecting for a foodbank to starting a campaign, you'll give up your time to help others and change things for the better.

It's extremely rewarding, grows your confidence and independence — and can give you the chance to experience the world of work too.

Physical

The Physical section is a chance for you to focus on your health and fitness and have fun along the way.

Try something completely different or concentrate on something you already do, as long as it requires a continuous level of energy and physical activity.

From yoga to going to the gym, skateboarding to wheelchair tennis — almost any dance, sport or fitness activity can count.

And doing more physical activity can give your mental health a great boost too.

You can decide to join a team or do it on your own — it's up to you.

BRONZE

Skills

From coding to cookery, the Skills section lets you learn a new talent, develop existing skills and discover new things you love.

By developing practical and social skills and gaining interests and talents, you'll enjoy yourself and get a real sense of achievement.

If you're interested in a specific field, this could be the perfect chance for you to do something related to it. So, if you're interested in photography, you could do it as your skill.

You'll grow your confidence and show you're committed, motivated and can rise to a challenge.

BRONZE

Expedition

Getting into the great outdoors and spending a night away with your friends – your expedition will give you lifelong memories.

As part of a small team, you'll plan your aim, choose your location and do some training to make sure you're prepared and know what you're doing — then spend two days and one night away.

You can choose how you want to travel – it doesn't have to be on foot. You could do it by bike, canoe, kayak, wheelchair, sailing boat or even on a horse.

Your expedition will improve your resilience, communication, teamwork and leadership skills.

You'll come home with a rucksack full of washing — and an experience you won't forget.
