

Learning Agreement Terms and Conditions

- I agree to abide by the terms of the College's values, standard and policies as explained to me during the College Preparation Day/Enrolment Days and mentioned on the College website.
- I am committed to completing the full qualification(s) for which I have enrolled, and understand that this requires me to be registered with the appropriate awarding body. I may be liable to pay the cost of any examination fees paid by the College on my behalf should I be absent for any reason other than ill health.
- I will advise the College if I enrol at another Post-16 provider (e.g. College, School, Sixth Form etc).
- I accept that if my total attendance is less than 95% my programme of study may be reduced to reflect this and my entries for external examinations may be changed. Each case will be reviewed on an individual basis and the decision of the college will be binding.
- I accept that if my total attendance is less than 95% up to and including 1st May of Year 12, I will not automatically be able to progress to Year 13 study and a modified programme of study may be offered to me.
- I accept that I must take the scheduled mock examinations as per the college calendar to be automatically entered for external examinations in the subjects for which I am enrolled.
- I understand that if I receive financial help to assist with the purchase of course materials, I will be liable to pay this back to the College if I withdraw from my programme of study, or if I substantially reduce my programme hours.
- I understand that if I receive any financial support through the 16-19 Bursary Fund, I will be liable to pay this back to the College if I withdraw from my programme of study.
- I understand that it is College policy that staff may contact the parents/carers of students to discuss academic progress, attendance and conduct during my time of study at St Bede's Catholic College, 6th Form.
- I understand that I cannot work more than 12 hours a week in external employment.
- Unique Learner Number Registration: The Managing Information Across Partners (MIAP) allocates unique learner numbers (ULN's) which enable the individual to access a Learner Record Service (LRS). The MIAP service will allow those organisations listed on section 537A of the Education Act (www.miap.gov.uk) to use the ULN as a key to sharing participation and achievement data. At no time will your personal information be passed to organisations for

marketing or sales purposes. Details of opting out can be found at www.miap.gov.uk or by telephoning the MIAP helpdesk on 0845 602 2589.
