

St Bede's Catholic College

FREEDOM OF INFORMATION Publication Scheme and guide to published information

All public authorities, including schools, are required under the Freedom of Information Act to adopt a publication scheme that has been approved by the Information Commissioner.

There is currently one approved model publication scheme, which has been produced by the Information Commissioner's Office (ICO).

Schools must adopt the ICO's model scheme and make it publicly available.

[It can be found here](#)

Guide to Published Information

Class one: Who we are and what we do (organisational information, structures, locations and contacts) Available on the college website (Current information only). Hard copies available on request. St Bede's Catholic College reserves the right to charge a reasonable fee for the provision of documents in response to Freedom of Information (FOI) requests, in accordance with applicable laws and regulations, and at the College's discretion.
