A MESSAGE FROM MR MAHER, PRINCIPAL

As we near the end of my second year with you, I thought it appropriate to say a heartfelt 'thank you' to all the students, parents and colleagues for the effort and hard work that everyone has put in to making this another incredible year. When I look back on the events over recent months I have to acknowledge that there have been so many highlights for me from the production of 'Grease', the 'Gabblers' and the Catenian public speaking competitions, dance and engineering competitions to the many activities, campaigns, trips and charitable activities that our students have been involved with. In addition, we opened the new Galileo building as well as the refurbished Chapel, now in the heart of the College.

I was delighted to hear we have raised over £10,000 for charity this year. I have the privilege of watching our young people grow in confidence and aspire to make a difference in the world to all those around them. I look forward with renewed energy to next year when we will be able to talk even more enthusiastically about the many significant achievements that our young people will continue to make.

I wish all the Year 13 students every success as they move on to pastures new and for those students who will be returning I am confident that St Bede's will continue to be recognised for the outstanding young people that we have here. Have a fantastic summer and I look forward to seeing you all in September.

J. G. Maher
Principal

REFLECTION—22nd July - Feast of St Mary Magdalene

There is little known about Mary Magdalene, but we do know that she was present with Christ during his ministry, death and resurrection. The Gospels tell us that Mary was originally a sinner and Jesus cast seven demons out of her. Mary Magdalene was the first witness to Jesus' resurrection.

After the death of Christ, legend states that she remained among the early Christians and after 14 years was put into a boat and set adrift without sails or oars. The boat landed in southern France, where she lived the remaining years of her life living in solitude in a cave.

Reflection: "Mary Magdalene found the disciples and told them, "I have seen the Lord!" Then she gave them his message."

Prayer: Lord, we remember today Mary Magdalene, who announced the great joy of the resurrection. We pray that we may proclaim the living Christ in our own lives, even when it may not be easy to do so. Amen.

CITY LEADERSHIP

Congratulations to **Jade Hutchinson** in Year 12 who took part in the City Leadership Programme over the last couple of weeks. It culminated in a graduation dinner where Jade made an excellent speech about what she had learnt. Jade will now receive 5 months of mentoring by leaders from business, politics and the public sector. The programme is a launch pad for future leaders in business, politics and non-government organisations. We are very proud of Jade and all she has achieved.

CONGRATULATIONS TO MISS YATES

Our very own Miss Yates has just published her own children's book. Squirrel and the Three Bears is about a fun-loving squirrel who is enjoying autumn so much she's forgotten to get ready for winter. The story teaches us that sometimes asking for help is actually the bravest thing to do. You can follow Miss Yates' writing and illustrating adventures at www.thehappybookcompany.com, and keep your eyes peeled for the crowdfunding campaign at the end of the summer, where you can buy your very own copy of the book. Miss Yates absolutely loves making books, and is so proud to share this first one with you."

ENRICHMENT WEEK

Last week the whole school enjoyed a wonderful week of enrichment. Year 7 visited Bristol Zoo and experienced a French Breakfast, Year 8 visited the Big Pit in Wales and participated in a Young Enterprise event and Year 9 chose a day of activities to suit their interests which included Drama, Baking, PE and Art. It was a week of learning new knowledge and different skills and was enjoyed by all. On the Friday we had a House Day, a perfect ending (despite the poor weather!) to a hectic week.

PASTEUR HOUSE QUIZ

On Friday 12th July 2019 Pasteur House held our third Family Quiz Evening. Fourteen teams made up of staff, parents, ex-pupils and pupils to battle it out for the £30 jackpot - which was kindly re-donated to the pot by the worthy winners 'You're a Quizzard Harry!' - all to raise over £500 for our College Charities; St Peter's Hospice, Mind and Rays of Sunshine.

Once again the tension and laughter was palpable as the amazing Mr Colebourne returned to put us through our paces. Pupils from across the Houses led by **Matin Nassiri** sang and performed with the assistance of Mr Lewis. Thank you for the popcorn by **Portia Smith** and **Andrina Benson**, for the posters produced by Mrs Bergman-Dye, all the amazing raffle prizes and the hard work of The Pasteur House Council....A top get together to round off another busy and successful year!

CONNECTIONS

We are delighted to announce that St Bede's has been selected to take part in the National Theatre Connections programme for 2020. Each year the National Theatre commissions ten new plays for young people to perform, bringing together some of the UK's most exciting writers with the theatre-makers of tomorrow. This is an incredibly exciting opportunity for students to work together to produce and perform a brand new play, work with industry professionals and take their production to a professional stage at the Sherman Theatre in Cardiff. More information on how to take part will be circulated in September.
