REFLECTION — Memorial of Saint Lucy - 13th December

There is little known about the history of Lucy, except for the fact that she lived during the early fourth century, a time where Christians were persecuted. Her mother tried to arrange a marriage for her but after praying at the tomb of Saint Agatha, Lucy was told that her mother's illness would be cured through faith, persuading her mother to give the dowry money to the poor and stop the marriage.

Legends say that Lucy's eyes were removed by guards, whilst some say that she removed them herself to discourage a persistent admirer. The name Lucy can mean 'light' and she is the patron saint of the blind. She is often pictured with a golden plate holding her eyes and often holds a palm branch, a symbol of victory over evil.

Prayer: Lord, Lucy did not hide her light but let it shine for the whole world. May our lives be illuminated by Christ, giving us the courage to share our faith with those around us. Amen.

Reflection: "The light shines in the darkness, and the darkness has not overcome it."

BRISTOL UNIVERSITY LAW CLINIC WORKSHOP WITH ARETÉ A LEVEL LAW STUDENTS

Students studying A Level Law were involved in mootings last week. Undergraduate students from Bristol University's Law Clinic came to St. Bede's to conduct a mock trial. Year 12 and 13 argued their case with confidence.

A great experience. It seems we have some future barristers in our Sixth Form!

BOOK HAMPERS Food for the Mind?

Seventeen lucky families were selected and each received a book hamper to enjoy over the Christmas holidays— Food for the mind?

BOOK REVIEW

Year 10 book club have recently read 'The Choice' by Edith Eger.

This book is based on the experience of Edith Eger in Auschwitz and how she adapted to life afterwards. The author writes about the physical and psychological problems she faced after surviving Auschwitz. The story gives the reader a different perspective of the Holocaust and her writing style immerses the reader in this powerful real life genre. A great read—highly recommended!

Pupils promised to be a people of prayer, which is especially important as the Diocese focuses on prayer this year.

As we continue to promote positive wellbeing at St. Bede's Catholic College, staff have been participating in an after school Christmas craft club. A lovely way to relax.

PHOTOGRAPHY CLUB CALENDAR

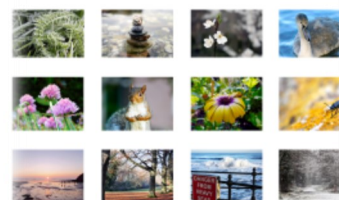

We are pleased to announce our first ever St. Bede's calendar.

Year 7 and the photography club have worked very hard to select photographs they have taken for a stunning calendar.

The calendar costs £5.00 and proceeds will be split between our college charities. We are taking orders at break time and delivery is expected by the end of next week. Just in time for Christmas.

MURDER MYSTERY IN THE LIBRARY

Over the last three weeks pupils have been playing detective in order to solve a 'murder' which occurred in the library. Each week, a series of clues were released to help solve the mystery.

It was discovered that the victim was Miss Cumiskey, the murder weapon was a scythe and that the crime was committed by Mr Slocombe (Please rest assured that this is not based on a true story!)

Over 100 children took part, using library resources to solve the clues. Well done to all who participated.

SAFEGUARDING SPOTLIGHT

Digital Safeguarding is an important factor to consider at this time of year. As Christmas draws near, many children may be looking forward to receiving new electronic devices or games, so we feel that this is an appropriate time to highlight some straight-forward online safety tips to help parents/carers make safer choices and support their children online.

Top Tips

- Continue to take an active interest in your child's online life and engage in the digital world with them.
- Remind children that they can tell an adult if something happens online that makes them feel scared, worried or uncomfortable, without being told off or punished.
- Agree as a family, how the internet and technology will be used in your home; encourage children to use the online safety messages they learn in school and adapt these into your own family rules.
- Discuss online boundaries too; if your child loves to socialise online, talk to them about what is and isn't appropriate to share with their friends online.
- Always check the PEGI age rating and descriptors on games before buying them for your child and carefully consider whether the content is appropriate for them.
- Remember to role-model positive behaviour online; consider asking your child's permission before posting photos of them on social media this Christmas and empower them to have control over their 'digital reputation'.
