Issue 298 15th May 2020

### MESSAGE FROM MR MAHER, PRINCIPAL

When the Prime Minister announced his road plan for the easing of some restrictions on Sunday, he also made reference to the gradual return of pupils to school. In the guidance we received on Monday it states 'This will not be a return to full timetables or pupils back in school or college full time, rather some support to supplement pupils' remote education'. It also goes on to say 'In line with implementing protective measures and reducing contacts, schools and colleges should limit the attendance of the year 10 and 12 cohort in the setting at any one time and to keep students in small groups'.

I also acknowledge that a number of parents will not wish to send their children into college at this time. Whilst we all look forward to welcoming students back as soon as possible, I and all my colleagues are looking at what we can provide to supplement the online learning to ensure the safety of every member of the community.

I hope that everyone associated with St Bede's will understand the need for caution and support what will be proposed in the weeks to come. However, I must emphasise that there is no perfect solution to the situation we all find ourselves in at the moment. The Families in Focus Bulletin [here](#) has some useful information and support for families, parents, careers and young people during Coronavirus. Look after yourselves and those around you. Stay safe!

With prayers, Mr J.G Maher, Principal

### REFLECTION – 14 May – St Matthias

#### This week we celebrate the feast of St Matthias

Saint Matthias is the disciple who, according to the biblical Acts of the Apostles, was chosen to replace Judas Iscariot after Judas betrayed Jesus.

Acts reveals that Matthias accompanied Jesus and the Apostles from the time of the Lord's Baptism to his Ascension and that, when it became time to replace Judas, the Apostles cast lots between Matthias and another candidate, St. Joseph Barsabbas. Soon after his election, Matthias received the Holy Spirit with the other Apostles. He is not mentioned again in the New Testament.

It is generally believed that Matthias ministered in Judaea and then carried out missions to foreign places. Greek tradition states that he Christianized Cappadocia, a mountainous district now in central Turkey, later journeying to the region about the Caspian Sea, where he was martyred by crucifixion and, according to other legends, chopped apart.

**Reflection:** "they were capable of becoming apostles on being chosen by Him who foresees even ultimate issues. Matthias, accordingly, who was not chosen along with them, on showing himself worthy of becoming an apostle, is substituted for Judas."

Clement of Alexandria explaining why Matthias was chosen

**Prayer:** Prayer for the intercession of St Matthias

Father, you called Saint Matthias to share in the mission of the apostles.

By the help of his prayers may we receive with joy the love you share with us and be counted among those you have chosen.

Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, for ever and ever. Amen.

## MESSAGES OF SUPPORT

### Year 7

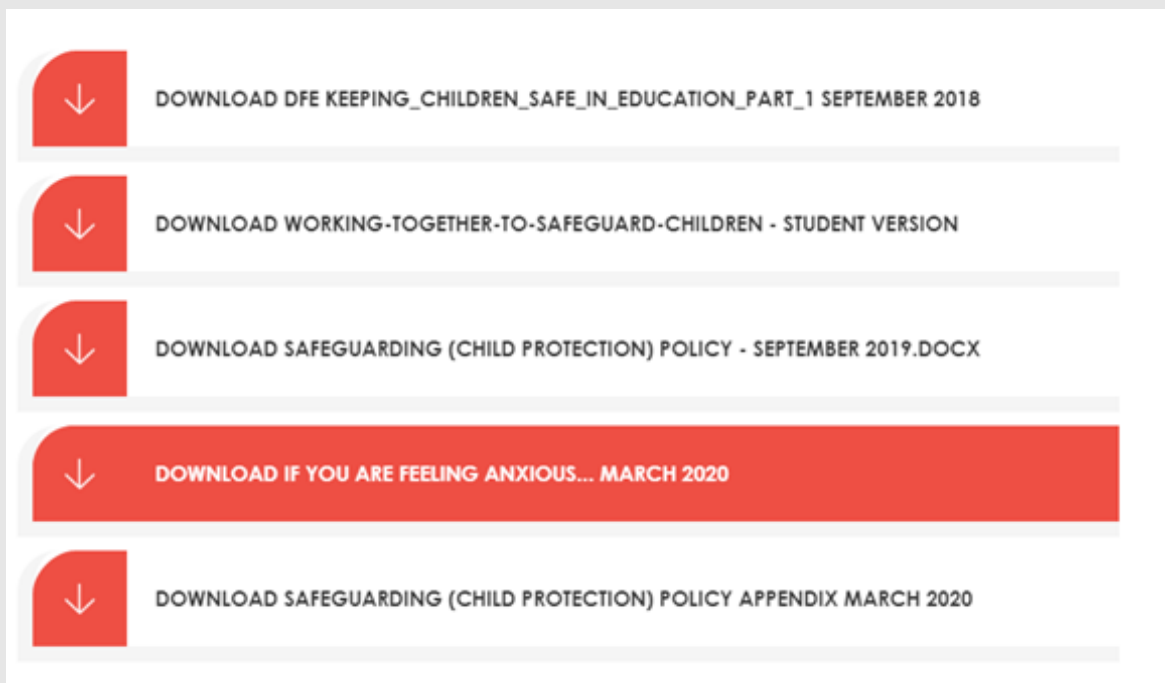

Hi Year 7,

I was so sad listening to the message from the Government this week which implied we won't get to see each other as a year group again this school year.

I can imagine that this is a challenging thought for many of you and I would like to take this opportunity to remind you that there is a lot of support out there for you. As always, you can email me at any time if you need help or support.

On the school website there is a brilliant list of online resources if you are feeling anxious or overwhelmed. This has been prepared by Ms D'Arcy and her team so you know you can trust it to be fantastic.

You can find it by going to the St Bede's Website, then go to "Key Information" then to "Safeguarding" then all the way down to the bottom to find this in the red:

It would be wonderful if you would all take a look then you know what is out there if at any point you start to feel anxious in any way and need support.

I would like to offer you a piece of advice for your home learning too. Your lessons are an hour long in school and therefore I think it is important for me to say to you that the expectation is that you should spend no more than 1 hour on each lessons work. That will mean you have 5 hours of lesson time a day which I hope is relatively easy to manage. If you are having any issues with work, do let me or your tutor know as we can find a way to support you and make things easier for you.

Finally, although your phones generally drive me bonkers, for the first time ever I would like to encourage you to use your phones, talk to people and find something to laugh at on one of those ridiculous online things that I'm too old to know about!

With best wishes to you all,  
Mrs Carmichael

## Year 11

I have been thinking of you a lot, especially in this week that would have held the first of your GCSE exams. I am sorry that your prom has had to be postponed and that we will not be able to all get together in the near future. I hope you are remaining positive and taking this extra time to do something productive. I know some of you have been practising cooking, learning a new language or reading more about your sixth form or college courses. Keep these things up, but also try to keep in contact with your friends and family and reach out to those that might need your help. We look forward to celebrating your exam results in some way in August and hope to see many of you return to Areté in September.

Best wishes, Mr King.

## Sixth Form

We are all missing you. Areté is exceptionally quiet without you and not its usual lively place to be. As I write this, I am sitting in a remarkably tidy common room. The tidiness is the only positive! I'm looking forward to the day where I have to utter those words 'put your rubbish in the bin' as it will mean a sense of normality has resumed.

I hope you are all managing to settle into a routine and coping with independent working. Remember that your teachers are simply at the end of an email and are here to support you with your work. Stay safe and I look forward to seeing you as soon as is possible.

Best wishes, Miss Kirkbright

## Descartes

Hello All,

I hope you and your families are continuing to keep well and stay safe and you managed to enjoy some VE weekend celebrations and the sunshine.

We are continuing to make small amounts of progress as we work towards the 'new normal'. It is still a strange time for us all, but continue to remember we are in this together as a community, you're not on your own. I hope some of you managed to celebrate Mass last Wednesday organised by Mr Loud. Remember there is no expectation that you complete every piece of school work in one day, little and often and balance your time. This is a great life skill to learn. Continue to message your friends and have your online group chats. It is important to look after each other and be kind. I hope that some of you have been working on our challenge sheet. I am looking forward to seeing who has achieved the most and handing out some prizes.

Can I take this opportunity to say a massive thank you to the current House Captains **Leila Karrass** and **Jacob Knight**. They have done a fantastic job and have helped me tremendously. We will thank them properly when we are able to as a house. This means that **Emily Ridewood** and **Len Noel** will step up to House Captains. Therefore, Year 9 if you are interested, the Assistant House Captain roles are available. The job description and guidelines of how to apply are on SMHW. Please take the time to consider this and apply. You are a great year group and many of you would be awesome. I look forward to receiving your applications.

For now, keep smiling, we will get through this! I am thinking of you all and your families and am at the end of an email should you need anything. Take care, look after each other and stay safe!

Ms Johnston

## Bell Burnell

A warm hello to all of the Bell Burnell pupils and families. As we continue with the lock down it is really important that we all look after our mental health. Pupils in Bell Burnell know I regularly promote positive 'wellness' and I hope that you are using the strategies that we have discussed over the last few years? It is Mental Health Awareness Week between 18-24th May and this year's focus is on "Shine a light on kindness." I would like to invite you to share acts of kindness you have received, given, or possibly pledge to give during this week or beyond. I will open up another folder in the Bell Burnell Google drive for you to post these.

As discussed in my last message we had an incredible bake off and the winners were: **Izzie Richardson, Isabelle Green** and **Ben Marples** – congratulations to you all.

Just a reminder for Year 9 pupils; I am now receiving applications for the Assistant House Captain role. Please see your SMHW for further information. Hope that you are keeping in touch with each other. Stay safe and keep smiling! Mr Johnson

## Seacole

Once again I'm writing this sat in my kitchen, too close to the biscuit tin but great for regular tea breaks. I hope you and your families are well and enjoying the time together. My virtual runs are going well and my first 'race' is on Saturday supporting the charities for those who lost their lives in the 1996 football stadium tragedy. It's one of the few occasions that Everton and Liverpool fans get together. Please make sure you keep in touch, check your school email and Show My Homework for messages and keep up to date with the school website and newsletter. Sending you my best wishes, Mrs Turri.

## Year 11

Dear Year 11 students,  
Those of you have applied to study A Levels in Areté will shortly receive a letter outlining some tasks that will help you prepare for your studies. We are unsure at the moment if we will be able to run our usual Sixth Form Taster Day. As soon as we know more, we will be in touch about this and how the enrolment process will work this year. Rest-assured that we will be able to support you in making your A Level choices, either in person or virtually. I look forward to welcoming you to Areté as soon as possible.

Stay safe. Miss Kirkbright

## Food

I have really enjoyed all the emails of the photos and descriptions of Foods that you have been cooking with your families. It's great to see so many cooking skills and practical work being put to good use to help feed your loved ones.

Please keep in touch - don't forget to email me any questions you have regarding recipes, improvements or if things have gone wrong and I can try to help you work out why. There were some really impressive bakes in the Bell Burnell bake off competition run by Mr Johnson. Please keep up the good work and get creative in the kitchen. Mrs Walker

## Pasteur

Hello to the lovely pupils and their families in Pasteur House.

Thank you once again for all your super messages and emails; it's always good to hear what you've been up to and that you are trying to keep proactive, and are looking after your mental and physical health. I am loving your photos of your pets (can you recognise a few in this newsletter?) Some of you have already started to send in photos and details of your 'acts of kindness' for Mental Health Awareness Week which is brilliant as we are hoping to celebrate your kindness by producing a collage of all that you do – try to think outside of the box and let's see what you can come up with! Look below in the Matters of the Mind section for some ideas I have put together.

I am delighted to see that applications are already coming in for Vice- House Captain –such an important role (details are on SMHW and in the newsletter). Stay safe and keep in touch!  
Ms Sharp (and Norman)

## Matters of the Mind

### Mental Health Awareness Week:

**Shine a Light  
on Kindness**

**18th—24th May 2020**

### Random Acts of Kindness!

- Bake cakes or treats and leave outside your neighbour's door
- Get up early and make a cup of tea for your family
- Facetime your grandparents and tell them you love them
- Say 'Thank you' or 'I love you' to your parents and/or siblings-its hard for them too!
- Don't buy a gift—make one; paint, draw, write a letter—it means a lot
- Give someone in your house a hug
- Smile at someone—in the house or when you're on your walk...just because!
- Be kind to yourself—I'm getting pieces of work at 3.00am... stop it!

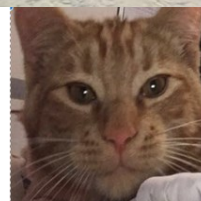

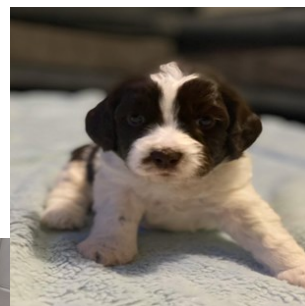

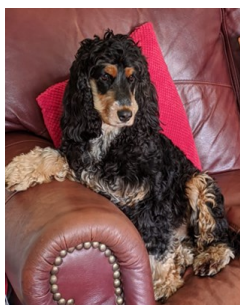

**You need your sleep!!**

- Take photos and let Ms Sharp know what you're up to—it makes my day and I miss you!

### Pasteur Pets' Corner

**Can you  
recognise any  
of these Pasteur  
pets?**

## FEAST OF ST BEDE MASS

As you may be aware, we celebrate the Feast of St Bede at the end of this term, with a Mass of celebration, during which we usually commission the new Student Eucharistic Ministers for the coming year.

Obviously we are currently unable to celebrate Mass together which is very sad, but necessary at this time.

In order to celebrate this important feast day for our College community, we are planning a **virtual Mass** which we hope we will all be able to join on **Friday 22nd May at 10.00am**.

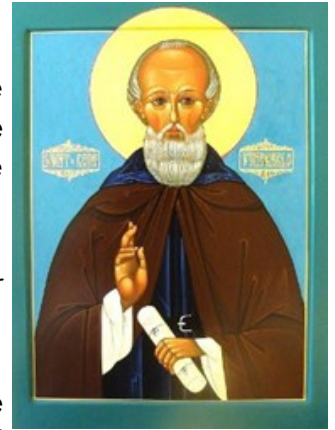

Fr Eugene Campbell will celebrate the Mass for us, from Holy Family Church in Patchway and as with our previous virtual Mass, we hope to have music from our College musicians and also readings from our students.

In order to access the website to find the Mass, follow the link:

<https://www.pscp.tv/holyfamilybs345>

(Can we suggest you 'set up' in plenty of time in order to ensure you can tune in!)

We hope that you will all be able to join us on 22nd May at 10.00am to celebrate the Feast of St Bede.

## EUCCHARISTIC MINISTERS

The role of Eucharistic Minister is an important one at St Bede's, serving at the Masses that we hold throughout the year.

Ordinarily, we would commission the new Ministers at the Mass for the Feast of St Bede, but this year that won't be possible, however we are still inviting applications from Year 10 Students to fulfil this important ministry when we return to College. The only requirements are that you are a confirmed Catholic who is committed to helping. All training will be given.

The Year 10 students have already received an application form via email, which they are asked to return to Mr Loud, the Lay Chaplain, if they are interested. The form does ask for a priest reference, which may be difficult to obtain at this time, please do not let that stop you from applying, we can sort that out at a later date. If you have any questions, please contact Mr Loud.

## **YEAR 7 PROGRESS REPORTS**

Year 7 reports were recently uploaded to SIMS Parent. Please ensure you log into the SIMS Parent App on your mobile device or through the desktop site <https://www.sims-parent.co.uk> to check your child's progress.

## **YEAR 12 UNIVERSITY AND UCAS UPDATE**

Despite the current challenging situation, we will soon be approaching the time of year when UCAS applications open. Usually, universities would be offering open days in order for each student to research institutions and courses available to them. These open days understandably, will not be going ahead this year. Universities are however, offering virtual tours. One of our year 12 students, Isabel Romero, has kindly organised a Google classroom, where links to virtual tours and discussions around university options can take place. I highly recommend to all year 12 students that they have a look through and contribute to the page, particularly if you have questions that you would like to ask others. All students were emailed a link to the classroom via their college email addresses.

The UCAS application process requires a personal statement, tailored to a specific course. It is therefore very important to research courses on offer carefully. Once back in college, our sixth form team will support all students with writing personal statements.

We appreciate that this may be a worrying and confusing time for many students, so please be assured that staff are on hand to help and offer support if you feel overwhelmed.

## **ART COMPETITION**

Last week the Duchess of Cambridge launched a project called - Hold Still, a portrait of our nation in 2020. It is an ambitious community project to create a unique photographic portrait which captures the spirit, mood, hopes, fears and feelings of the nation as we continue to deal with the Coronavirus outbreak.

If you are interested in Photography this would be a wonderful opportunity to showcase your work and become part of History.

Please check out the following link for further information:  
<https://www.npg.org.uk/>

## **FREE SCHOOL MEALS**

FSM vouchers for the period 20th April to 10th May have been issued. Please check your email and junk folder if you are unable to find it. The vouchers for this week and next week will be issued next week. If you have any queries please do contact the college on 0117 3772200 or [contact@stbcc.org](mailto:contact@stbcc.org)

## POETRY

We are delighted to share with you a poem written by year 9 pupil Jenny. The poetry has been written to commemorate the 75th Anniversary of V E Day whilst in Lockdown.

### **A brief period of rejoicing**

2020,  
The year of new beginnings.  
2020,  
The year of the outbreak.  
2020,  
The year of the virus.  
2020,  
The year that was ruined.  
2020,  
The year we celebrate.  
2020,  
The year we rejoice.  
2020,  
The year we shall not forget.  
2020,  
The 75th time we remind ourselves  
that they won.

1945,  
The year we were freed.  
1945,  
The year we were safe again.  
1945,  
The year we were happy.  
1945,  
The year they saved us.  
1945,  
The year we thought wouldn't come.  
1945,  
The year we had lost hope.  
1945,  
The year we were victorious.  
1945,  
The year we celebrated.  
1945,  
A year we will always remember.

Although we are stuck,  
Trapped.  
Isolated.  
We will remember, we will celebrate,  
We will raise glasses to the dead and say,  
'Thank you we live in peace today'

**Jenny Ngugi, Year 9**

## YEAR 9 BRONZE DOFE UPDATE

As many of you are beginning to discover, it is becoming increasingly difficult to complete all of the initial proposed ideas for the physical, skill and volunteering sections. I would therefore advise all of you to be as creative as possible in finding new, home-based activities that fulfil the requirements. As volunteering is looking the most challenging to complete, I would suggest that this be adapted also. Some ideas for these sections may include:

### Volunteering:

- Paving around the house
- House work
- Caring for siblings
- Support for siblings or younger relatives with school work (Could be completed via video)

### Physical:

- Family cycle, run or walk
- Morning exercises
- Any sport accessible from home

### Skill:

- Music (self taught or tuition)
- Cooking
- Art

Languages

Please update the sections on your eDofE account if you change the activity. If it needs to be reverted back to draft form, please contact Mr Sutton via email. Plans are still being drawn up for expeditions and advice on these will be issued once more information is available. For now, keep motivation high and complete your online sections!

## INFORMATION FROM FR AUGUSTO

We were honoured in February to welcome to St. Bede's Fr Augusto Zampini Davies.

Father Augusto is an Argentine priest from the Diocese of San Isidro, Buenos Aires and is currently working as Director of Development and Faith at the Dicastery for Integral Human Development of the Vatican.

Please find below two links which have been forwarded to us to share with our community.

- Fr Augusto's role, from a Jesuit magazine: "Pope Francis taps Argentinian priest to help lead Vatican response to coronavirus crisis / ... On April 7, Pope Francis phoned him and said he wanted him in the steering committee of the task force, headed by Cardinal Turkson. The committee responds directly to Pope Francis. Father Zampini described the pope as "a man on a mission at this moment in history.".....": <https://www.americamagazine.org/faith/2020/04/15/pope-francis-taps-argentinian-priest-lead-vatican-response-coronavirus-crisis-zampini>

## LOCKDOWN DOESN'T STOP US COMMUNICATING WITH OUR LINKS ON THE OTHER SIDE OF THE WORLD

Marist Mercy Care, Place of Mercy and Hope, Addo, South Africa is one of our College Charities this year; not least because Sister Martha is a friend and ex-colleague of St Bede's.

Thursday evening of this week saw members of St Joseph's Nailsea and St Francis, Nailsea Parish, including Father Tom Dubois, Ms Sharp and pupils from St Bede's, interview Sister Martha and Sister Breda about the wonderful work that they are dedicated to in South Africa. The live stream was watched by many people across the world.

If you would like to find out more about their amazing work, visit their website: [www.placeofmercyandhope.com](http://www.placeofmercyandhope.com) We are hoping to continue our fundraising when we return to college fulltime.

## ARTIST DOCUMENTING COVID-19 THROUGH LETTER WRITING

The Website is now live!

Well done to all the pupils, and staff, of St Bede's who have been writing amazing letters and poetry as part of ex-pupil (and now student at Brighton University), Alice Gompel's COVID-19 project.

Alice's aim was "to capture individuality in this project and to explore letter-writing as a form of documentary, trying to get a diverse, representative account of what life is like in at this time." The contributions by our pupils and people of all ages, background and cultures from all over the world are moving and thought-provoking. Well done Alice!

## CELEBRATE MASS WITH US

Last Wednesday, the College community came together as 'one body' to celebrate Mass even though we are separated by the requirement for social distancing. The readings and music were excellent as always and I hope you were able to participate. It is an important reminder that we are all one family here at St Bede's and never more so than when we come together in the Eucharist. Thank you to Fr Eugene Campbell for celebrating the Mass for us and to Mr McCarthy, Mr Lewis, Mr Loud and **Seamus, Limonie, Patrick** and **Amy** who read so beautifully.

## Role of Pasteur Vice-House Captain

### Application Process

#### What the Role of Pasteur Vice-House involves:

- Being a role-model for Pasteur House/ College
- Supporting/liasing with House Captains
- Supporting/liasing with Ms Sharp
- (Assisting with) organising charity/sporting events
- (Assisting with) organising assemblies (including reading at short notice)
- Motivating pupils (and staff)
- Leading House Council Meetings
- (Assisting with) organising House Mass
- Being motivated!

#### Please include:

- Why you would like the role
- Why you think you would be suitable for the role and what you could bring to it
- Any previous participation/ contributions you may have made to the House or College
- Anything that you would like to share! (See - What the role involves)

**Being able to be Vice-Captain of Pasteur House (the best house) is a very special and important role. It builds skills (as it has done for me) like working as a team with the wonderful Pasteur team, speaking in front of crowds and working on fun and challenging events!**

**You also get to take part in things that you may not necessarily be able to do if you weren't part of the team.**

**The role has built skills for me and has given me many opportunities to do things I never thought I would do and this will be the same for you. It is such fun and a huge privilege. So don't hesitate to apply!**

**Louis De Pedro, House Captain 2020-2021**

**It pushes the boundaries of your comfort zone, but only so much that you learn and develop as a person.**

**Isobel Patel, House Captain 2020-2021**

**Please apply; it is such a positive and well-respected role that will help you to grow even more...**

**It has encouraged me to develop leadership skills and confidence which has helped me as head girl. It has been fun to work as part of the house council to try and make positive changes and being house captain has been a really important part of my school experience.**

**Amy Koikkara, House Captain 2019-2020**

## NATIONAL THANK A TEACHER DAY

Wednesday 20th May is National **Thank A Teacher Day**. It will mark a moment when we, as a nation, can come together to say thank you to teachers across the country who are making a difference not only now during these unprecedented times, but every day of the year.

The Teaching Awards Trust are asking as many people as possible to share their message of thanks, ideally in a video clip leading up to the day. This will be in an expression of their choosing - singing a song/miming to a song of thanks to their teacher, writing and/or reciting a poem, or sharing a picture of a drawing.
