What's On in the Library

Welcome to the Library Lockdown Newsletter!

Mrs Hayman's favourite book this week

We have been lucky to have been given a proof copy of this book prior to its publication in April. It's a sequel to *The Skylarks' War*, and takes the characters and a new generation through the Second World War. With the same warmth for its characters as they live through difficult times as the first book, I am recommending it to absolutely everyone. Look out for it in the library when we are back.

What have you been reading? If you would like to recommend a book we should have in the library email librarydesk@stbcc.org and let Mrs Hayman know

The shortlisted books for the KS3 Excelsior Graphic novel award should be arriving in the library very soon. If you are in Years 7-9 and would be interested in shadowing the award when we are back in College, please email librarydesk@stbcc.org

ACTIVITY OF THE WEEK

Join the big garden bird watch for an hour this weekend

Did you know that house sparrow sightings have dropped by 53% since the first Birdwatch in 1979? However, in the past 10 years their numbers have grown by 10% showing that we are beginning to see some signs of recovery. Help the RSPB identify problems, and then take steps to resolve them

BOOK RECOMMENDATIONS

This week the National Literacy Trust Virtual School Library has had 'The Girl who Stole an Elephant' by Nizrana Farook to read or listen to. You can catch up until 5th February and there will be a new story next week. Listen/read [here](#)

Remember that you can **digitally access loads of books, newspapers, magazines and comics from the public library during lockdown.** If you are not already a member you can apply on line, but if you are under 16 you will need a parent or carer to do it for you
