April 2021

Dear Parents and Carers,

Extended Project Qualification (EPQ) 2021-22 – Information Evening

I am writing to invite you to an information meeting about the EPQ that is available to all current Year 12 students.

The EPQ is worth half an A Level (through UCAS points) and takes place from Term 6 (June 2021) until the end of Term 3 (February 2022). It is highly valued by higher education institutions and gives students key skills that they can carry through to university studies and work places.

The students research and produce a product (either a 5,000 word essay or an artefact with a 1,000 – 2,000 word essay) on any topic that they are interested.

To find out more about the qualification; the expectations of the students; the support given by the College and how you can support them, please join this Zoom Meeting on Monday 26th April at 6.30pm using the details below.

If you are unable to attend the meeting, the slides used will be available after the 26th April.
