May 2021

Dear Parents/Carers,

Year 12 examinations will take place from Monday 6<sup>th</sup> June 2021 – Tuesday 22<sup>nd</sup> June 2021. All year 12 students have been issued with an examination timetable for this period.

Students are required to attend college for registration on the day of exams. Designated study rooms will be provided where students are able to revise silently in between exams. Students may choose to revise from home on days when they have no exams.

These examinations are an important measure of a student's progress on their A Level courses so far and we will use the results of these to help us assess students' suitability to progress to Year 13.

In addition, the results of these examinations form part of the decision-making process for formulating university application predicted grades. We report predicted grades as part of the UCAS application process and are required to ensure our predictions are grounded in assessment data. It is therefore essential that students take these examinations seriously and make every effort to revise as they would for an external examination.

Should you have any queries please do not hesitate to contact me.

Yours sincerely,

Mr N Sutton  
Acting Director of Sixth Form
