September 2021

Dear families,

Re: Year 7 Food and Nutrition lessons

Your child will be taking part in Food and Nutrition lessons this year. We are asking parents for a one off payment of £7.50 towards the cost of some of the ingredients your child will be using throughout the year.

This will cover the cost of the ingredients for the following: healthy wraps, lamb koftas, popcorn chicken and hot chocolate. It will also act as a contribution towards the cost of cooking oil, herbs, spices and foil/cling film.

These are all things that we used to ask students to bring in cash for during the lesson, it now works out much easier for families to make a one off payment through Scopay. The payment can be found in the 'Trips' section of your child's Scopay account.

We are also requesting that students bring their own aprons to practical lessons from now on. This is in line with the school Covid-19 procedures to reduce cross contamination. If you do not have an apron at home, they are available to buy from the school shop via Scopay for £3.60.

Thank you in advance for your continued support,

Mrs E Walker  
Food Teacher
