Principal: Mr R. J. King, MEd

Dear Parent/Guardian,

We have reached the time of year when we are required to arrange field trips to support the students in their work as part of the Geography A-Level course. These field trips are a compulsory part of the course and we have to undertake 4 in total. They will cover a broad area of topics and have been arranged for the following dates:

Monday 13th June – Human Geography

Monday 20th June – Physical Geography

Monday 27th June - Physical Geography

Monday 4th July - Physical Geography

Students should dress for the day appropriate to the weather. On warmer days, T-shirts and shorts may be worn, and we would recommend that students bring a sunhat and sun cream with them, as we will be outside for the whole day. Where rain is forecast, suitable wet weather clothes should be taken. On all occasions, suitable footwear that is steady underfoot should be worn.

Students should also bring a packed lunch, snacks and drinks, as we will be away from school for the whole day. Please may I remind you that the school is a 'nut free' zone, and this applies to all the field trips.

I will send out information for each individual fieldwork day closer to the dates, but in the meantime, please complete and return the reply slip and essential information form to myself, by Monday 6th June.

If you have any questions, please feel free to contact me on t.priest@stbcc.org.

Yours faithfully

Mrs T. Priest
Head of Geography
