## St. Bede's welcomes winning author as its First Patron of Reading

We are delighted that award winning author Chelsey Flood has accepted our invitation to be our very first **Patron of Reading at St. Bede's**.

Ms Flood, who is looking forward to working with pupils and staff to promote reading and writing, tells us a little more about her plans for St. Bede's:

*Hi! My name is C J Flood, and I am the first **Patron of Reading at St. Bede's**. I've met some of you before through creative writing workshops and a book signing, and I'm really excited to get to know more St Bede's pupils over the next year.*

*I have loved reading ever since I learned how, and I started writing stories as soon as I could write. My first ones were Enid Blyton rip offs or adventure stories, which my friends loved. They weren't very good, but I knew that writing was the job for me, and I've now had two novels published by Simon and Schuster: **Infinite Sky** and **Nightwanderers**.*

*Over the next year, I will be working closely with pupils and staff to promote reading for pleasure. My newsletter will be issued every half term and contain news about what I've been doing, pupils' work, opportunities, book reviews, writing tips and much more. I will also run a writing competition and a reading challenge...*

*I'm so excited about being **Patron of Reading for St. Bede's**, and I can't wait to meet and work with as many pupils as possible. Write ups about my visits and pupils work will appear on my blog, which you can visit at [www.cjflood.blogspot.co.uk](http://www.cjflood.blogspot.co.uk).*

*So keep in touch! Follow me on Instagram [www.instagram.com/cjflood](http://www.instagram.com/cjflood) or Twitter @cjflood\_author or 'like' Infinite Sky or C J Flood on Facebook. And if you want to ask a question or send a suggestion, email me at [chelseyflood@hotmail.com](mailto:chelseyflood@hotmail.com).*

*My favourite reads as a teen: All Point Horrors, especially The Accident by Diane Hoh and The Bell Jar by Sylvia Plath.*

*My favourite teen reads now: How I Live Now, by Meg Rosoff, ACID by Emma Pass, Where Things Come Back by John Corey Whaley.*

We look forward to the invaluable expertise, encouragement and guidance Ms Flood will offer our pupils and staff over the forthcoming months.

## SKI TRIP

Last week, 43 pupils and 6 teachers made the long journey to Dachstein West in Austria for the annual ski trip. Our hotel was fantastic and was surrounded by amazing views of the mountains. With a big fall of snow in the middle of the week, followed by blue sky for the rest of our stay, the skiing was brilliant!

There was something different to do every night, from Austrian skittles to a horse drawn sleigh ride. As the week flew by, with the help of our excellent ski instructors, all of the pupils really improved. Everyone was soon able to ski down a red run from the top of the mountain to the bottom. The instructors singled out **Caity Garrett, Molly Hale, Lawrence Cooke** and **Daniel White** as the **most improved skiers**. **Paul Whitehead** was awarded **King of the mountain** and **Milly Watkins** was our **Queen**. It was an awesome trip, and all of the pupils embraced its ethos.

## Year 11 Parents' Information Evening Meet the Professionals followed by English, Maths and Science Exam Preparation Tuesday 23<sup>rd</sup> February 6.15pm to 7.45pm

### 'Meet the Professionals' 6.15pm—7.00pm

As part of our Independent Careers Advice and Guidance we try to ensure that our pupils are fully informed about options open to them for Further and Higher education, so that they make the right choices. As you are aware we recently held a careers fair to which a number of post 16, universities and apprenticeship providers were invited. We would now like to invite pupils and parents to meet with professionals from a variety of backgrounds including Finance Directors, Surgeons, Designers, Engineers, Doctors, Opticians, Solicitors and Nurses. The professionals, who are parents of ours, have kindly agreed to be available in the blue area from 6.15pm- 7pm to talk to our young people and to answer questions about; what they studied at A level, why they chose their profession, routes into the different professions, applicable A levels and university degrees, the rewards of working in the profession and careers prospects.

This is an excellent opportunity for our pupils to gain a valuable insight into different professions. Staff will be on hand to help to ensure that all pupils have an opportunity to meet as many of our guests as possible. We are anticipating a great deal of interest so please arrive on time to avoid disappointment.

### GCSE English, Maths and Science Exam Preparation from 7.00pm to 7.45pm

The 'Meet the Professionals' event will be followed by an invaluable evening of guidance in how to support your child when revising for GCSEs in English, Maths and Science. We will explain the exact content of the exams and their requirements, so that parents will feel more confident when assisting their children at home.

### PARKING - POLITE REMINDER

Please could we remind parents to avoid parking in the designated coach bays at the front of the college at the beginning and end of the school day. We need to ensure that our pupils can get on and off the coaches safely. Also, when we have evenings for parents it is extremely important that these events do not cause an inconvenience to our neighbours. Please **NEVER** park in front of the driveway of a neighbour. Thank you for your understanding.

### SPOTLIGHT ON SAFEGUARDING

#### educate.against.hate

Protecting children from radicalisation and extremism is as important as protecting them from other potential harm such as drugs, gangs and sexual exploitation. Messages of hate can take many forms. Extremist groups use them to recruit young people. The government has recently launched a website where you will find information to help you understand the issues and protect your child. **[www.educateagainsthate.com/parents](http://www.educateagainsthate.com/parents)**

**Further advice** for parents and carers on Radicalisation & Extremism can be found on our college website: [www.stbedescc.org/safeguarding](http://www.stbedescc.org/safeguarding) or, paper copies are available from the college reception.
